01 - THE HOUSE

A PARTS HOUSE BUILT LIKE A GALLERY, NOT A WAREHOUSE

Unique pieces. Honest photos. Fitment written down. Most of it never comes back in stock.
Built on 16 years of proven market resilience.

WHO WE ARE

Fastwrecks Auto Parts is an enduring, woman-owned e-commerce business in Northeast Ohio. Founded in 2011 to be a trusted source of automotive parts and information to a worldwide customer base.

WOMAN OWNED

Small team. Two people, one part-time. Decisions stay close to the bench. Strategic agility with zero corporate friction.

OPERATIONAL RESILIENCE

Sixteen years sourcing returns, discontinued rarities, pristine NOS, and post-consumer parts. 400+ sales per quarter.

OHIO SHOP

Legal home, shipping, and return terms sit in Ohio. Inventory sourced locally to boost community economy.

GLOBAL REACH

Live eBay store: ebay.com/str/sportscarsalvage. Website: fastwrecks.com. Serving an international network of restorers, enthusiasts, and independent repair shops.

ONLINE PARTS BUYING IS STILL A GAMBLE

The restorer, the repair shop, and the daily driver owner all ask the same four questions. Most listings answer none of them.

01

WILL IT FIT?

Year, body, engine, and production-break notes missing or copied from a catalog, not the part in hand.

02

WHAT CONDITION?

Stock photos, cropped damage, or "used / as-is" with no honest close-ups.

03

WHEN DOES IT SHIP?

Marketplace sellers sitting on the listing for a week. Shops waiting on a car.

04

WHO BACKS IT?

Ghost accounts, no return path, no local address, no face on the store.

FIVE STEPS. NO THEATER.

- 01 SOURCE**

Customer returns, discontinued runs, NOS caches, and clean post-consumer parts. We hunt; we do not flood.
- 02 INSPECT**

In-hand condition. Any flaws are written down before the camera comes out.
- 03 PHOTOGRAPH**

The part on the table. No lifestyle crop. What you see is what leaves the warehouse.
- 04 CATALOG**

Fitment by year, make, model, and production break. Not a keyword dump. Personally verified
- 05 SHIP**

Most orders leave within one business day. Many with free US shipping. Worldwide shipping. Returns available on most items.

THE ROOMS OF THE HOUSE

WHO WALKS IN

- 01 THE RESTORER**

Building a C3, a Fox, a first-gen Eclipse. Hunting discontinued rarities. Seeking the correct piece, not a close-enough catalog cousin.
- 02 THE INDEPENDENT SHOP**

Small dealerships and auto service centers. Car is on the lift. Needs the part quickly, with fitment they can trust. 1 out of every 10 customers.
- 03 THE DAILY DRIVER**

Consumers needing to repair their everyday vehicles economically.
- 04 THE OVERSEAS BUYER**

Same photos, same description, shipped. 13% of our customer base. Often excluded by other small US parts sellers.
